

WHY HURST BUY PLASTICS?

Pedigree

Part of the Hurst Group - One of the UK's leading interior contracting organisations founded nearly 40 years ago by Norman Hurst. The organisation has reaped the benefits from significant growth and success achieved through its long established reputation for quality, service, value and dedication to continuous service improvement.

Purpose Built Factory - Fast and efficient 50,000 square foot manufacturing operation.

BBA Accreditation - Independent proof of quality and reliability on both white and woodgrain panels. The first door panel company to achieve this on both colours.

ISO 9002 Registered - Hurst Plastics operate to a consistent and traceable set of procedures.

PAS 23 Accredited - The Hurst Composite Doorset is certified for performance against extreme weather conditions.

PAS 24 Accredited - The Hurst Composite Doorset is certified for performance against extreme physical attack methods used by intruders.

Secured By Design - The Hurst Composite Doorset is available to meet the requirements of the Secured by Design Licence, the official Police initiative backed by the Home Office Crime Reduction Unit.

Full 10 Year Guarantee - On all white products. Many competitors say they do - but check the small print and you'll find some only offer 12 months!!

Own Fleet of Delivery Vehicles - With over 10 delivery vehicles now delivering to many areas 5 days a week, Hurst ensure that more than 90% of all deliveries are made on Hurst's own transport, ensuring almost zero transport damage.
